ALLIED
ELECTRONICS & AUTOMATION

MOUSER
ELECTRONICS.

CircuitSpecialists

Breakout/proto materials

Test equipment

Finding parts

Octopart

Search by keywords, tech specs, or part number

Or try an example search: [3.3v LDO voltage regulator](#)

Search hundreds of
[component distributors](#)

More than 7 million
[searches per month](#)

Search thousands of
[parts manufacturers](#)

Always think about alternative uses for things, but also if you can ever find one again
